March 6, 2002

SENATOR CUDABACK: Mr. Clerk.

CLERK: Mr. President, I have a confirmation report from Business and Labor Committee, found on page 770 of the Journal.

SENATOR CUDABACK: Senator Connealy, to open on the confirmation report.

SENATOR CONNEALY: Thank you, Mr. President. Members, Business and Labor Committee would like to recommend Loren Lindahl for Commission of Industrial Relations as the new appointment. Mr. Lindahl is a lawyer from Wahoo, and your Business and Labor Committee would recommend the confirmation.

SENATOR CUDABACK: Open for discussion. Senator Bromm.

SENATOR BROMM: Thank you, Senator Cudaback. I think I've known Mr. Lindahl probably longer than anyone in here, and I have very high regard for him. He's a great partner or I wouldn't be here. And he just is a very conscientious and honest individual, which is very hard for many of you to believe, I know, considering he's my partner. But, in any event, I just want to speak highly of him and encourage you to confirm his appointment, and I thank Business and Labor Committee for recommending such. Thank you.

SENATOR CUDABACK: Thank you, Senator Bromm. Any other discussion on the confirmation report by the Business and Labor Committee? Seeing none, Senator Connealy, do you wish to close on your confirmation report? Senator Connealy waives closing. The question before the body is adoption of the confirmation report by the Business and Labor Committee. All in favor vote aye, opposed nay. We're voting on the confirmation report offered by the Business and Labor Committee. Have you all voted who care to? Record, please, Mr. Clerk.

CLERK: (Record vote, Legislative Journal page 837.) 31 ayes, 0 nays, Mr. President, on the adoption of the confirmation report.
